Chapter 1 by Flower234

Your soul is exhausted and you know it.

You've tried drinking "tea" and swimming in the sea and writing poetry in inky scrawl that barely makes sense.

It wasn't always like this...was it...and in 2016, it won't be like this.

There is always a learning curve in life every were you go.

But first grant yourself permission to believe that things have the capacity to change, and the rest will settle itself. You've had your share of thunderstorms,

The peace is always there just open the curtains and let it in.

Embrace it.....

¡You owe it to yourself!
